Welcome to Conshohocken United Methodist Church.

Who are we?

We are Christians – people who follow Jesus Christ in our every day lives.

We are United Methodists – a particular kind of Christian who believe in both a heart felt personal relationship with God and a passionate engagement in serving our community and larger world. We are connected in spirit and in common mission to the larger United Methodist Church of over 11 million persons around the world.

Our congregation is in an exciting phase of growth these days. We are growing spiritually in worship, Bible Studies, discussion groups, and ministries. We are growing as we reach out to friends and neighbors, as we welcome guests to our worship, and as new members make a comment to join our church. We are growing as we expand our ministries and opportunities for involvement so that everyone has a way to get involved.

We are young and young at heart. We feel particularly called to minister with young adults in our community (folks in our 20s and 30s). But our congregation is a vital mix of children, young adults, adults, and older adults (who we like to call the “young at heart”). Our goal is to involve all of our members, at all ages, in opportunities for learning and growing in faith and for serving the church and the world.

We are excited about what God is doing with us these days, but we know God isn't done with us yet. Please look around our website to find out more; contact me in the church office, or best yet – come worship with us on Sunday morning!

If you are interested in making Conshohocken United Methodist Church your church home, please contact the church office at 610-828-1250.
